1. STRATEGY STATEMENT

This strategy sets out a series of core commitments which will be followed by HE providers within the Luminate Group. These commitments are in turn be supported by a set of HE strategic principles.

Working in partnership with our students we commit to:

- Create a culture that provides an inspirational climate for learning;
- Develop excellent learning relationships between students and staff, working to create an inclusive learning community which supports all learners to achieve their full potential;
- Build a portfolio of intellectually challenging, industry relevant and sustainable degrees.
- Innovate in teaching learning and assessment at degree level.
- Equip staff with the professional characteristics, skills, knowledge and understanding of contemporary pedagogy to deliver exceptional learning programmes;
- Provide high quality learning resources and accommodation to create inspirational learning environments;
- Create innovative assessment and feedback that improves student achievement and progression to allow all our students to reach their full potential.

2. POLICY AIMS/OBJECTIVES

This overarching strategy applies to the Higher Education provision offered at Leeds City College and Leeds Conservatoire. The Luminate Group HE Learning and Teaching strategy will be then delivered through individual group member Teaching, Learning and Assessment strategies.

The strategy's purpose is to ensure that all students are provided with an excellent learning experience whilst we respond to the changing context of learning, teaching and assessment. In addition, this HE Learning and Teaching Strategy is aligned with the requirements of awarding bodies the United Kingdom Professional Standards Framework (UKPSF), and the QAA Quality Code for Higher Education. The Luminate Group's Higher Education provision will prioritise academic rigour and subject expertise and will demonstrate the fundamental value to society of studying any subject to a degree level.
